

PRESS RELEASE

Four New Market Members Join globalCOAL

LONDON AND SINGAPORE - 14 June 2011

globalCOAL® has announced that four companies are joining its community of online coal traders as Market Members today:

- UK-based **Anglo African Commodities Ltd** is involved in the coal trading business and specialises in the marketing of South African coal.
- **PT Indo Tambangraya Megah Tbk** is an Indonesian coal mining company and a subsidiary of Thailand-based **Banpu Public Co Ltd**. The company is involved in the extraction, processing, logistics and marketing of coal.
- **TELF AG** is a Swiss company which specialises in the trading of coal and various petroleum commodities, mainly from Russian and the CIS.
- Swiss-based **Transcor AG** is a large international supplier of energy commodities, principally involved in the refining, storage, distribution and trading of crude oil, oil products, natural gas, coal and coke.

"The four new Market Members joining us today truly illustrate the growing appeal of physical coal trading worldwide", says **Patrick Markey of globalCOAL in Singapore**. "Whether they are established traders or recent entrants, these market participants will benefit from the transparency of information and efficient access to market the globalCOAL platform provides."

About globalCOAL®

globalCOAL was founded by leading members of the world coal industry to promote screen trading of standardised coal products. The company has developed the world's leading electronic marketplace for thermal coal, as well as a range of standardised coal quality specifications, a Standard Coal Trading Agreement (SCoTA®), and robust methodology for coal price index calculation. globalCOAL is also cooperating with leading energy exchange ICE Futures Europe to develop the coal Futures market.
