

PRESS RELEASE

globalCOAL welcomes three new Market Members

LONDON AND SINGAPORE – 28 February 2012

Three new Market Members today join the globalCOAL trading community with the aim of expanding their global network within the international thermal coal industry.

Ankor Holding Ltd. is an international commodities trading company specialising in the trade of natural resources such as coal, crude oil and gasoil.

One of the leading exporters of Russian and Indonesian thermal and coking coal, **Avalon Coal's** principal export markets are Asia and Europe.

Enegra Pte Ltd is an Australian commodities trading house which partners with several Indonesian miners. They have offices in Melbourne, Jakarta and Singapore.

This announcement brings to 123 the number of globalCOAL Market Members.

'In these three very different organisations, we see the broad reach of the globalCOAL community' says Head of Front Office Tracy Vowel. 'We are delighted to have them on board and look forward to working with them to extend their global network.'

About globalCOAL®

globalCOAL was founded by leading members of the world coal industry to promote screen trading of standardised coal products. The company has developed the world's leading electronic marketplace for thermal coal, as well as a range of standardised coal quality specifications, a Standard Coal Trading Agreement (SCoTA®), and robust methodology for coal price index calculation. globalCOAL is also cooperating with leading energy exchange ICE Futures Europe to develop the coal Futures market.
