

PRESS RELEASE

Two new Market Members join globalCOAL

LONDON AND SINGAPORE – 15 October 2013

globalCOAL® announced today that **Chugoku Electric Power Company** and **Engro EXIMP (Private) Ltd** have joined its online coal trading platform as Market Members.

The **Chugoku Electric Power Company** generates, transmits and distributes electricity in the Chugoku area of Japan. Its facilities include thermal (coal and LNG), hydro and nuclear power plants.

Engro EXIMP (Private) Ltd is part of one of Pakistan's largest conglomerates, whose activities include chemical fertilizers, PVC resin, a bulk liquid chemical terminal, industrial automation, foods, power generation and commodity trade.

About globalCOAL®

globalCOAL was founded by leading members of the world coal industry to promote screen trading of standardised coal products. The company has developed the world's leading electronic marketplace for thermal coal, as well as a range of standardised coal quality specifications, a Standard Coal Trading Agreement (SCoTA®), and robust methodology for coal price index calculation. globalCOAL is also cooperating with leading energy exchange ICE Futures Europe to develop the coal Futures market.
