globalCOAL Welcomes Two New Market Members

LONDON AND SINGAPORE – 1 September 2014

globalCOAL® announced today that two Market Members have joined its trading community. Both new Market Members are from the Indian sub-continent, further bolstering globalCOAL's growing presence in the region.

Karachi-based **Lucky Commodities (Pvt) Ltd** specialises in trading and sourcing coal from the international market to supply its Pakistani client base. It plans to expand its business to supply clients globally.

Binani Cement Ltd is a global supplier of high quality cement with an annual production capacity of 11.25 Million tonnes from factories in India, China and Dubai. Headquartered in Mumbai, it is the flagship company of the Braj Binani Group.

globalCOAL now counts a total of 23 Market Members in the Indian sub-continent, representing more than 14% of its membership.

About globalCOAL®

globalCOAL was founded by leading members of the world coal industry to promote screen trading of standardised coal products. The company has developed the world's leading electronic marketplace for thermal coal, as well as a range of standardised coal quality specifications, a Standard Coal Trading Agreement (SCoTA®), and robust methodology for coal price index calculation. globalCOAL is also cooperating with leading energy exchange ICE Futures Europe to develop the coal Futures market.
