

PRESS RELEASE

Societe Generale becomes a Market Member of globalCOAL's Electronic Trading Platform

Eoghan Cunningham, CEO of globalCOAL, said "We are very pleased to welcome Societe Generale as a Market Member. This is another addition to the growing list of financial sector companies who are becoming increasingly involved in coal trading on our platform

About globalCOAL®

globalCOAL was founded by leading members of the world coal industry to promote screen trading of standardised coal products. The company has developed the world's leading electronic marketplace for thermal coal, as well as a range of standardised coal quality specifications, a Standard Coal Trading Agreement (SCoTA®), and robust methodology for coal price index calculation. globalCOAL is also cooperating with leading energy exchange ICE Futures Europe to develop the coal Futures market.
